Unreel

Let friends hold you accountable to collectively reduce social media usage.

Problem:

Many young adults want to reduce their social media usage, but existing tools are easy to ignore and have little social accountability.

Solution:

Unreel transforms screen-time reduction into a shared experience by allowing friends to set goals, create challenges, and track progress together.

Competitor Analysis (against leading apps):

Feature	**UnReel**	Break Free	Freedom	OneSec
Social Accountability	✅	Limited	❌	❌
Real-Time Data	✅	❌	❌	✅
Intentional behavior change	✅	❌	❌	✅
Friend Comparison	✅	❌	❌	❌
